

Questionnaire

A little bit about you...

This isn't an exam so please only answer questions that appeal. Your responses will give me a better idea about who you are, and the things you like so I can design your home to suit you – your personality, your life & your unique style.

How many live in your house? People: Animal:

Where do you spend most of your (awake) time in your house?

Which colours do you like best?

Which colours do you hate?

Is texture important to you?

Do you like the architecture or decorative style of another country?

What is more important: value or convenience?

Do you like patterns? Do any bother you? Do you prefer decorative or plain?

Do you prefer luxury or homey?

Do you like to socialise at home? Dinner parties or larger gatherings?

How much does a sofa cost?
